Baby, baby you're no good.
Never treat me like a lover should.
And I know in the end
You're gonna leave me, my friend.
But I go onnnnn, oh, when you kiss me.
And I go onnnnn when you hug me.
You're gonna break my heart, I know
And if I played it smart I'd go.
But I'm so wiiiild, wild about you baby.

Baby, baby every day
I take my mind up and away.
But I find love is blind,
One kiss and I change my mind.
Yes, I go wiiiild, when you kiss me.
And I go wiiiild, oh, when you hug me.
Because I love you so, I try
But if you ever go I'd die.
But I'm so wiiiild, wild about you baby
Yay, yay, yay
Oh, I'm oh, you drive me crazy
Can't think of anything, I'm a wiiiild,.
