My name is Luca
I live on the second floor
I live upstairs from you
Yes, I think you've seen me before
If you hear something late at night
Some kind of trouble
Some kind of fight
Just don't ask me what it was
Just don't ask me what it was
Just don't ask me what it was

I think it's cause I'm clumsy
I try not to talk too loud
Maybe it's because I'm crazy
I try not to act too proud
Only hit until you cry
After that you don't ask why
You just don't argue anymore
You just don't argue anymore
You just don't argue anymore

Yes, I think I'm okay
Walked into the door again
If you asked just what I say and
It's not your business anyway
I guess I'd liked to be alone
With nothing broken, nothing wrong
Just don't ask me how I am
Just don't ask me how I am
Just don't ask me how I am

My name is Luca
I live on the second floor
I live upstairs from you
Yes, I think you've seen me before
If you hear something late at night
Some kind of trouble
Some kind of fight
Just don't ask me what it was
Just don't ask me what it was
Just don't ask me what it was

And the only hit until you cry
After that you don't ask why
You just don't argue anymore
You just don't argue anymore
You just don't argue anymore
