Well I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?

It goes like this the fourth, the fifth
The minor fall, the major lift
The baffled king composing Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew her

She tied you to a kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

You say I took the name in vain
Well, I don't even know the name
But if I did, well really, what's it to you?

There's a blaze of light in every word
It doesn't matter which you heard
The holy or the broken Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool you

And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah
