When routine bites hard
And ambitions are low
And resentment rides high
But emotions won't grow
And we're changing our ways
Taking different roads

Then love, love will tear us apart again
Love, love will tear us apart again

Why is the bedroom so cold?
Turned away on your side
Is my timing that flawed?
Our respect run so dry
Yet there's still this appeal
That we've kept through our lives

And love, love will tear us apart again
Love, love will tear us apart again

Do you cry out in your sleep?
All my failings expose
Get a taste in my mouth
As desperation takes hold
Is it something so good
Just can't function no more

When love, love will tear us apart again
Love, love will tear us apart again
Love, love will tear us apart again
Love, love will tear us apart again
