(Susaye Greene/Brian Way)

CHORUS:

I'm bewitched by your love
I can never get enough
I go crazy when you come around
I tell all of my friends
I will love you til the end
I'm bewitched by your love, baby

If I listen to my friends, baby,
They would only tell me, "run away"
They don't love you like I do, do they?
How would I know?
What I'm feeling for you won't go 'way
I keep thinkin' 'bout you night and day
I don't care what other people say
How can they know?

CHORUS

Wasn't ready when you cast your spell
I'm not dealing with it very well
Do you love me, sugar? I can't tell
How will I know?
I am fascinated by your love
You're the only one I'm dreaming of
Is it magic or is this real love?
How can I know?

CHORUS (2x)

I'm bewitched by your love
I'm bewitched by your love

CHORUS

I'm bewitched by your love, baby
I'm bewitched by your love, baby
I'm bewitched by your love, baby
I'm bewitched by your love, baby

RAP:

I am feeling your love is mysterious.
If you look in my eyes, I am serious.
Your sweet kisses make me feel delirious.
Bewitched, bewitched by,
Bewitched by your love, sugar.
Bewitched, bewitched, huh?
I'm fascinated by your love.
You're the only one I'm dreaming of.
Is it magic or real love?
Bewitched, bewitched by,
Bewitched by your love, bewitched.
Don't you listen to what your friends say.
They will only tell you, "run away".
They don't love you like I do, do they?
Bewitched, bewitched by,
Bewitched by your love, bewitched.
