(Susaye Greene-Brown, Ed Brown)

if you feel the need of me  
coming over you in the night,  
don't be shy about it, call me  
if you feel the warmth of the heart  
tugging at you in the night,  
don't you cry about it, you call me  
\* babe, don't you feel me sitting here  
burning  
babe, don't you feel my emotions yearning  
babe, don't you feel it getting hotter  
deep in my soul now  
I want your loving, so the story goes  
now don't be shy, it won't hurt  
won't you come on over  
now sugar, can I get you to  
come a little closer  
now that you're here in my arms,  
honey, you're my lover  
don't you know that you got me tight  
do you, yeah, yeah, forever  
if you feel some magnetic strom  
pulling at you in the night,  
don't you keep it inside, call me  
if you feel the call of the wild  
coming over you in the night,  
don't you shy and die, baby  
you call me  
[\* - repeat]  
oo-oooh ooh ooooooh ooooooh ooh  
ahhhh, ah la laaaaa-ahhhhh, yeah  
ooo-oooh ooo-oooooooooooh, yeah  
ahhhhhh, ah la la laaaa ahhhhhhhh  
[take it, take it, take it, take it]  
yes, baby [take it, take it, take it]  
oooooooooh ooooooooooh  
all I wanna know is your love  
take it, take it, take it, take it,  
take it, take it  
ooooh ooooooooooh ooooooooooh ooh  
ahhhhh ah la la laaaaa-aaaa, yeah

ooooh ooooooh oooooooooooooh ooh  
if you feel the need of me  
coming over you in the night  
if you feel the need of me  
coming over you, get down, baby  
sweet now, love now, love now baby  
if you feel the need of me  
coming over you, oh, in the night  
if you feel the need in me  
in the night time, call me ooh  
if you feel the need in me  
coming over you, ooh-ooh  
the night time, the right time, right time, baby  
if you feel the need of me  
coming over you, call me in the night time  
ooh la la la [la la la], la la la [la la]  
oooooh yeah, sing now, sing now, sing now  
night time, right time around, baby  
[in the night] yeahh  
ooooh ah la la laaaa ahhhh [in the night]  
right time, baby, oooooh oooooh  
yeahh-eahhh, yeah, baby
