CHORUS:

All the magic you need
All the love you can feel
Ecstasy
'Cause I love your sweet lovemagic
I'm loving your magic love

I get the feeling that you're feeling the same way that I
do
Each time we meet, I'm ecstatic, my love, just to see
you
No doubt about it, you're a wizard of love and affection
Can't do without, you cast a spell on my heart and I let
you
Baby

CHORUS

It's an illusion we've created a magical feelin'
It's so confusin' but the aura of love's got me reelin'
Can't let you get away, I'll charm you, disarm you,
alarm you
I cast my sorcery, your heart will spin again and again
and again and again
Baby

CHORUS (2x)

Baby

SPOKEN:

Everybody say love, love, love
Everybody get on the dancefloor
Gotta pump, gotta pump, pump, pump
Get your magic on the floor, pump it up
Feel the love, baby, feel the love
Mystery, can't you feel the mystery?
Magic potion, make it come to me
Magic potion, make it come to me
Magic potion, make it come to me
Magic potion, make it come to me
Put your hands up

Party til you get enough
C'mon, c'mon, gotta get my groove on
Zigga zagga zee eee eee
C'mon party, c'mon party
Earthquake!
Everybody wants to see the rump shake
Eee eee!

Can't let you get away
The magic of your love, the magic of your love
Can't let you run away
The magic of your love, the magic of your love
Can't let you get away, I'll charm you, disarm you,
alarm you
I'll cast my sorcery, your heart will spin again and again
and again and again

CHORUS
(repeat and fade out)
