It was 1948 like a Hollywood scene

Everybody at the door trying to live a little dream

And it was 1959 in a difficult time

We were laughing everyday singing songs and blowin'
minds

CHORUS

Na na na na na...

I don't want to love you but you got me anyway

Na na na na na...

I don't want to love you but you got me anyway

All the things I've done and the places I've been

Every hour like a day, every day another dream

All the things that I said never meaning to say

All the times I? never wanting to say

(Chorus)

When I get so lonely every night in my sleep

With a terrible feeling there's no one around to help me

Carry on, carry on, to the end, to the end

Looking hard in the sun for a better friend

Never die, never die as the years go by

Will life go on? Yea, life goes on

(Chorus)

You got me anyway

You got me anyway

You got me anyway
