Late Tonight  
Love will come and creeping  
In your room tonight  
Grab tight  
Climb into your heart  
And twist it round  
Round and round  
Don't close your heart  
And mind don't run away

A flash in the night  
Oh oh like a fireball  
Turning around  
Oh oh like a fireball, fireball  
A flame in the night  
Oh oh like a fireball  
I love making love  
Oh oh like a fireball,  
Fireball, fireball  
Oh oh like a firebal

Close your door  
Love will take you over  
And your ask for more  
You'll be sure  
Nothing you have felt  
Could be so strong  
Oh so strong  
Can't stop the feeling  
Now can't turn away

A flame in the night  
Oh oh like a fireball  
Turning around  
Oh oh like a fireball, fireball  
A flame in the night  
Oh oh like a fireball  
I love making love  
Oh oh like a fireball,  
Fireball, fireball

A flame in the night

Just turns you on  
You give up your heart  
And mind give up your soul

A flash in the night  
Oh oh like a fireball  
Turning around  
Oh oh like a fireball, fireball  
A flame in the night  
Oh oh like a fireball  
I love making love  
Oh oh like a fireball,  
Fireball, fireball
