Dilemma  
(2x Chorus)  
Dilemma my enemy ooh dilemma

If it was a movie  
Iâ€™d try to illuminate all my images  
Cut out all the scenes  
That made us face the dilemma  
We are now in

(Chorus)  
Dilemma my enemy ooh dilemma  
Dilemma in my life

If it was a movie baby  
Iâ€™d try to illuminate all my images  
Cut out all the scenes  
That made us face the dilemma  
We are now in

Iâ€™ve tried to look for a solution  
For the situation we are now in  
But you wanted to rush it all

Trust in love, life is like this  
Take it easy, all needs its time

Trust in love, life is like this  
Take it easy, everything will be all right

(Chorus)  
Dilemma my enemy ooh dilemma  
Maybe itâ€™s my perfect friend

Dilemma my enemy ooh dilemma  
So mysterious, time will provide a solution

Dilemma my enemy ooh dilemma

Iâ€™ve tried to look for a solution  
For the situation we are now in  
But you wanted to rush it all

Ooh  
Ooh my baby  
Deep in my heart  
I know everything's gonna be all right
