My heart has called you many times
But the words never left my lips
My thoughts are driving me crazy
They don't want to leave me alone
This situation is too much for me

(Chorus)

I never had the courage to tell you
I want to be with you
I never had the courage to tell you
I want to spend my life with you
I never had the courage to tell you
Your daily appearance makes my heart so happy

Baby you are my best friend, the one I value most
You always come to me and ask for advise
I don't wanna ruin this relationship
I don't want this passion to change our situation

It looks like I've known you for eternity
Maybe you feel the same
It looks like eternity
That I struggle with the question
If you want us to be together as well

Ooh ooh
Colf you'd give me a sign
Ooh ooh
All would be much easier
Ooh Ooh
If you'd give me a sign
Ooh ooh
I gotta get the courage

I gotta get the courage
To break this barrier
Of shame
I gotta get the courage
To break this barrier
Of doubt

It looks like I've known you for eternity

Maybe you feel the same
It looks like eternity
That I struggle with the question
If you want us to be together as well

Ooh ooh
If you'd give me a sign
Ooh ooh
All would be much easier
Ooh ooh
If you'd give me a sign
Ooh ooh
All would be much easier
Ooh ooh
If you'd give me a sign, if you'd give me a sign
