(Chorus) Go.. don't look back
Take your suitcase, close the door behind you
Go.. all has its limits
I can't accept your abuse

Now it's my time to talk
Sit down and stop complaining
All has got to be the way you want it (it can not be)
With your manners, as if I'm not good enough for you
(it can not be)

If it's gotta be like that, you better leave me alone
Sure my life will be much better

(Pre-chorus) Time and time again the same story
It's your attitude I can't stand
All I've done for you (wasn't enough, it wasn't enough)
All I've given to you (wasn't enough, it wasn't enough)

(Chorus)

You think I can't live without you, that I'll spend my whole life suffering
You can write it on paper (I will sign underneath, I will sign underneath)
That I won't cry for you anymore (I won't cry anymore, I won't cry anymore)

I'm taking my liberty
To feel free again

(Pre-chorus) Time and time again the same story
It's your attitude I can't stand
All I've done for you (wasn't enough, it wasn't enough)
All I've given you (wasn't enough, it wasn't enough)

(Chorus)
