No need to tell me
She was just a friend to you
She called me and told me
All the things you 2 would do

Don't call me to ask for forgiveness)
All the things you've done shocked and surprised me

(Chorus2x)

I'll be you know, you lost a good thing now I'm gone
You shouldn't have left me alone
I need a man who values me and you weren't able to

All this time you looked into my eyes
Telling me how much you loved me
Meanwhile you were messing around
Playing games now I see you were so shady

Don't call me to ask for forgiveness)
All the things you've done shocked and surprised me

(2x) I don't wanna have anything to do with you
I don't wanna lose my time with you
My tears were the last words I had for you

(Chorus 2x) I'll be you know...
