(Chorus)

Our land is love that accompanies us Our land is our longing that accompanies us

My transparent heart in exposure Full of love that grows stronger everyday Calm my heart, pressure is not the solution Off all the waiting When we get there, all will compensate

My transparent heart in exposure Full of love that grows stronger everyday

(Chorus)

Our land is the love and longing that grows stronger everyday

(Chorus)

So much joy in my land, 1 week looks like 1 day I donÂ't wanna think about saying farewell Or to leave my land oneÂ's again (Chorus)
