

Suzanna Lubrano "Pay Attention"

Visit "[Pay Attention](#)" on [MotoLyrics.com](#)

You better pay attention
Know the situation before you make a move
Â'Cause tomorrow youÂ're gonna
Regret your decision
Think before you talk
Before you hurt the one who loves you

Stop and think
Let her tell her side of the story
DonÂ't listen to what they say
Love is like that love is like that
Understand one another oh no

DonÂ't let rumors break you apart
Your love is stronger than bad intent
And advise from friends
With a false heard
Behind your back they start to laugh

(Chorus)
Ha ha weÂ'll separate the 2
Ha ha weÂ'll separate the 2

Your love is one of a kind
Difficult to find these days
ThereÂ's too much jealousy
Stop and pay attention
Choose the right friends
DonÂ't let someone else
Infiltrate your relationship

Stop and think
Let her tell her side of the story
DonÂ't listen to what they say
Love is like that love is like that
Understand one another

DonÂ't let rumors break you apart
Your love is stronger than bad intent
Let love and trust be
The foundation of your relationship
From there you can continue to build

(Chorus)

Ha ha they won't separate you 2

Ha ha they won't separate you 2

Let love and trust be

The pillar of your relationship

Let love and trust be

The foundation of your relationship ooh

(Chorus)

Ha ha they won't separate you 2

Ha ha they won't separate you 2
