Iâ€™m leaving... Taxi  
Â‘Cause you donâ€™t care about us... Taxi

Taxi in front of the door, waiting to bring me to the station

The train leaves at 6  
You had enough time to change my mind  
And convince me

You had enough time to change my mind  
And convince me to stay

(4x chorus)  
Now Iâ€™m telling you  
Now Iâ€™m telling you bye

You had enough time to change my mind  
And convince me  
You had enough time to change my mind  
And convince me to stay

Now Iâ€™m telling you bye  
Iâ€™m leaving Â‘cause you donâ€™t care  
(3x chorus) Now Iâ€™m telling you bye

You donâ€™t need to look for me anymore  
You had enough time to convince me to stay

(4x) Taxi in front of the door

(2x) You made time for everyone instead of me  
Your priority went to everybody, but not me  
My heart... Iâ€™m sorry  
I didnâ€™t understand all the signs you gave me

Now Iâ€™m telling you  
Now Iâ€™m telling you bye
