Yureteru kimi no dancin' shadow
Hitomi kugizuke
Doa no mae kurakushon naraseba
Yoru ga hajimaru
Seramikku no tsuki purasutikku no hoshi
Futari dake ga riariti
Kimi no kisu ni yoru ga tameiki
So Sweet, My Angel
Give it to me, all of your night

Be together Be together konya wa
Say you love me Say you love me asa made
Be together Be together odoru yo
Shake, Shake, Shake my soul

Futari emooshon wa forutesshimo
Hanarerarenai
Tamerau kokoro midashite
Machi ni fumidase
Tetsugakusha demo kasanoba demo
Koi ni penaruti wa nai
Kimi no yubi ni hoshi ga tomaru yo
So Bright, My Angel
Give it to me, all of your night

Be together Be together tashika ne
Say you love me Say you love me yoake wo
Be together Be together dakishime
Shake, Shake, Shake my soul

Be together Be together konya wa
Say you love me Say you love me asa made
Be together Be together odoru yo
Shake, Shake, Shake my soul

Be together Be together tashika ne
Say you love me Say you love me yoake wo
Be together Be together dakishime
Shake, Shake, Shake my soul
