Decomposing into human soil  
No one knows their location  
But their maker plot before burial  
Disposal of human flesh gone forever  
In the dirt  
Identity vanished through time

Dumped body sits rotting away  
flies begin to gather  
Vomiting and eating  
Murdered carrion

Fly shrine  
Four months of eating  
Fly shrine  
Four months of eating  
Fly shrine  
Vomit eat it  
Festering  
Four month of decay  
They frenzy in the meaty carcass

More and more survive  
Attracted by the stench of flesh  
Eggs immerse decomposed flesh  
Unburied and to the teeth  
So denied  
The maggots infesting the flesh

They frenzy in the meaty carcass  
More and more survive  
Attracted by the stench of flesh  
No more blood  
Tons of maggots  
Fill the empty cavity  
No more blood  
Tons of maggots  
Flee the empty cavity

Decomposing into human soil  
No one knows their location  
But their maker plot before burial

Disposal of human flesh gone forever  
In the dirt
