This macabre fetish
Some held against their will
Usually knocked
Unconscious from battery
Drugged or Asphyxiated
Then put in a tub of ice
Dropping bodily temperatures
To replicate that of being dead
Cold to the touch and violated

Necrophilia sex
Copied with the living volunteers
So they play roles
In this macabre fetish

Necrophilic fantasy
Masturbating feverishly
Painted up, playing the corpse
Still and vile

So they play roles
In this macabre fetish

Necrophilic fantasy
Masturbating feverishly
Painted up, playing the corpse
Still and vile

Willingly acting deceased
Lifeless and motionless
While their partners
Have their way with them
Sometimes strangling
Each other for ultimate release
A compulsion to love death
An erotic attraction to corpses
Perfect subjugation
Sex with the beautiful dead
