There you stand, all I wanted, am I floating on your love
Miracle, you're the key to my ecstasy
Wonderful, want to know you intimately
Don't let go, let me fly on your love, take me higher

You're so beautiful, take me, fill me up
I could never get enough, oh
Hold me, take me up, fill me up with your love

You're a dream, I never want to wake from
I found heaven in your kiss, in your love
Miracle, I can feel all the power of your love
Wonderful, want to hold you forever
Don't let go 'cause I love how you love me, take me
higher

I just need you near so take me, fill me up
I could never get enough, oh
Hold me, take me up, fill me up with your love

Take me, fill me up
I could never get enough, oh
Hold me, take me up, fill me up with your love
