"Pyramids Of Deathlight"

Visit "[Pyramids Of Deathlight](#)" on MotoLyrics.com

Along the vein in the sand have man's faith on earth
been foreseen (destend)*
A celestial destruction triggered by the sun
Orion was the destination for the faraon after death
Royal tombs pointing to the sky, designed to assist
them on their final journey
When Venus peirce Orion, massive tsunamis of sand
and brimestone, an unescapeable wall of fire
Royal tombs pointing to the sky, glowing with
enchanted deathlight
When the old lion is mad, the deathlight enchants us
The old lion is mad, pyramids of deathlight, a journey
in brimestone
After the destruction the old lion turned around
The true masters of the earth will rise again
The great beasts, ancient beasts rise
