I will always be your pray
Tell me why my baby
I feel your heart far away
Hear my prayer light of my grave

Now I see my death is in your eyes
I'm praying you tell' me why
Tell me why my baby
Tell me why my baby

Love stained whit blood my life
And I bloody declaim this my last prayer
I will always be your pray
And drowned in tears I curse my fate

Now I see my death is in your eyes
I'm praying you tell' me why
Tell me why my baby
Tell me why my baby

Now I see my death is in your eyes
I'm praying you tell' me why
Tell me why my baby
Tell me why my baby
Tell me why my baby
Tell me why my baby
