[Chorus: Fundisha - repeat 4X]

They're playing basketball

We love that basketball

[Lil' Bow Wow]

Yeah, now basketball is my favorite sport

I love the way they dribble up and down the court

I keep it so fresh on the microphone

I like no interruption when the game is on

I like slam dunk, to take me to the hoop

My favorite play is the alley-oop

I like the pick-and-roll

I like the give-and-go

In this basketball, Bow Wow, let's go

[Chorus]

[Lil' Bow Wow]

I got the rock in my hands

Aint no telling what I'm gonna do with it

When I come position I'ma act a fool with it

I might cross you up fake one way

Turn around and hit you with you with the MJ fadeaway

I'm throwing dime passes like J. Kidd

Taking cats to the rack

And I'm dunking on them like T. Mac

When I'm in the paint I play with that Alonzo style

I'm like Darius cause I can shoot two miles

[Fabolous]

Don't too many players get offers like me

Back and forth, I'll likely

Shake the checks off your Nikes

They almost had me in a suit at the draft

And it look like a free throw when I be shooting from
half

The first step like Iverson - blow past you

Usually nothing but net, but I can go glass too

When I'm in the paint the defense so shook

They dont know if I'ma put up a slow hook, or dish off a
no-look

See my game consist of a whole lotta
Moves you would think I learned from the Harlem
Globetrotters
J.D. gon lead us to a ring
Fab and Bow Wow the only players that make
cheerleaders wanna sing

[Chorus]

[Jermaine Dupri]
Now tell me were you in the joint
The night MJ scored 63 points
When the Lakers won titles back to back
Didnt give nobody, no kind of slack
When Vince Carter gave and stuck his arm in the rim
Everybody went crazy in the whole damn gym
Dikembe Mutombo standing tall
Playing D with desire, it's basketball

[Chorus] - repeat until fade
