I believe in the power of love (I believe)
I believe in the power of love (I believe)
I believe in the power of love
I believe in the power of love

Feel the power
Let the people call me naive
I believe I believe I believe I believe

What is it that can make a lost soul found?
Love
And what is it that can make the coldest day seem
warm?
Love
And what is it that can bring a smile through to
strangers?
Love love love love

I believe in the power of love (I believe)
I believe in the power of love (I believe)
I believe in the power of love
Let them call me naïf, naïve
But I still believe

What is it that can make a lost soul found?
Love
And what is it that can make the coldest day seem
warm?
Love
And what is it that can bring a smile through to
strangers?

Give it everything
Cause what you give you get so give it everything
Open your heart

I believe I believe
Power of power of power of love
