Ooh, life is bigger  
Bigger than you, and you are not me  
The length that I will go to  
The distance in your eyes  
Oh no, I said too much, I said enough

That's me in the corner  
That's me in the spotlight losing my religion  
Trying to keep up with you  
And I don't know if I can do it  
Oh no, I've said too much, I haven't said enough

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try

Every whisper  
Of every waking hour, I'm choosing my confessions  
Trying to keep an eye on you  
Like a hurt, lost and blinded fool  
Oh no, I said too much, I said enough

Consider this  
Consider this the hint of the century  
Consider this the slip that brought me to my knees  
failed  
What if all these fantasies come flailing around  
Now I've said too much

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try

That was just a dream  
That was just a dream

That's me in the corner  
That's me in the spotlight losing my religion  
Trying to keep up with you  
And I don't know if I can do it  
Oh no, I've said too much, I haven't said enough

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you cry

That was just a dream  
That was just a dream  
That was just a dream  
Just a dream  
Just a dream
