I Dance alone  
Here in the rain  
So cold tonight.  
Without a flame  
Your love is like  
I guarantee  
Whichever way  
Will never be.

All that's alone  
But I don't want to move  
I'll take a chance  
But I don't want to lose.  
I want to smash  
Spend all my cash  
I want to run, wild, all night

I Dance alone  
I Dance alone

Nobody's home  
Don't come for me  
So far behind,  
You'd never see  
My sensitive lies  
So close at hand  
Don't sieve to find  
To understand

I have all this time,  
But nothing is mine  
I want to go there  
But I've already been  
I feel around  
I'll talk to you, never again.

I Dance alone  
I Dance alone  
I'll dance alone  
But I don't want to move  
I'll take a chance  
But I don't want to lose

I want to smash  
Spend all my cash  
I want to run, wild, all night.

I have all this time,  
But nothing is mine  
I want to go there  
But I've already been.  
I'll see you around  
I'll talk to you, never again.  
Never again.  
Never again.

I Dance alone  
Here in the rain  
So cold tonight  
Without a flame  
Your love is like  
I guarantee  
Whichever way  
Will never be.

I Dance alone  
I Dance alone  
Never again.  
I Dance alone
