I get so tired of people telling me (just tellin' me, tellin' me, tellin' me, tellin' me)

Tired of people telling me (just tellin' me, tellin' me, tellin' me, tellin' me)

Tired of people telling me (blah, blah, blah, somethin' somethin' somethin', somethin')

Tired of people telling me (just tellin' me, tellin' me, tellin' me, tellin' me)

I get so tired...

They keep on talkin', people talkin' tellin me this

They keep on talkin', people talkin' telin me that

They keep on talkin', people talkin' tellin me this and that

Now I'm wishin they would all go to hell

A... la la la laa ohh

A... la la la laa

Yo lets get one thing straight I'm not a hypocrite

I talk a lot of shit on records most of which I'm livin in

You're insignificant... it's getting me really pissed

No, really this is getting irritating Â– put away your tips on how to live my life

I don't need advice so just keep it to yourselves and that would be quite nice

Ya shmucks, keep it up and suck on both these nuts

So press your luck and test the bluff, puss, and shut the fuck up

I get so tired (so tired) of people (of people) telling me (Telling me you're not the same since you changed your name, that's what they tell us)

I get so tired (so tired) of people (of people) telling me (Telling me I won't make it, I'm bound to fail, they're just jealous)

I get so tired (so tired) of people (of people) telling me (Blah, blah, blah, Shhhut your faces fellas)

I get so tired (so tired) of people (of people) telling me (Telling me this, tellin me that, well you can go to hell cuz...)

I get so tired...

They keep on talkin', people talkin' tellin me this
They keep on talkin', people talkin' telin me that
They keep on talkin', people talkin' tellin me this and
that
Now I'm wishin they would all go to hell

A... la la la laa ohh
A... la la la laa

Look, I make my own mistakes, thanks a million though
Really don't many know shit about me anyhow
Keep your pennies, now I've got plenty
I don't need a pocket full of change, your 2 cents will
weigh me down
Maybe now you can mind your own business, instead of
mindin' mine
I'm fine, I don't give a shit, yo!
I won't listen, quit testin, I guess nobody told your
dumb ass that...
I get so tired...
I get so tired (so tired) of people (of people) telling me
(Telling me here's your number and here's the back of
the line)
I get so tired (so tired) of people (of people) telling me
(Telling me pay your dues and this could be you in due
time)
I get so tired (so tired) of people (of people) telling me
(Telling me life lessons, I'm guessin' I have to go
through, well enough)
I get so tired (so tired) of people (of people) telling me
(Telling me this, tellin me that, well you can go to hell
cuz...)
I get so tired...

They keep on talkin', people talkin' tellin me this
They keep on talkin', people talkin' telin me that
They keep on talkin', people talkin' tellin me this and
that
Now I'm wishin they would all go to hell

A... la la la laa ohh
A... la la la laa

It goes on and on and on and on

I... blah, blah, blah, somethin' somethin' somethin',
somethin'
Blah, blah, blah, somethin' somethin' somethin',
somethin'
Blah, blah, blah, somethin' somethin' somethin',

somethin'
Blah, blah, blah, somethin' somethin' somethin',
somethin'
