Honey, I never felt like  
I had someone to rely on  
Until that day you came  
And you made my life complete  
And you should know, I love you so

Honey, you never felt like  
You had someone you could count on  
Until that day we met  
And you put your trust in me  
And let me know that you won't let go

Let no man separate us  
Let no one come between our love  
Let no man separate us  
We're sharing our love forever

Darling, it doesn't seem like  
We've been together for so long  
Ain't it funny how time flies  
When we're having fun  
Well girl, the fun has just begun

Just a little bit of wine by candlelight, yeah  
To celebrate our love, ooh baby  
Let's be thankful that we've kept our love so strong  
Let's make a vow to carry on

Let no man separate us  
Let no one come between our love  
Let no man separate us  
We're sharing our love forever

Let no man separate us  
Let no one come between our love  
Let no man separate us  
Ooh, we're sharing our love forever

Let no man separate us  
Let no one come between our love  
Let no man separate us  
And we're sharing our love forever

Let no man separate us  
Let no one come between our love  
Let no man separate us  
Ooh, we're sharing our love forever

Let no man separate us  
Let no one come between our love
