

## The Deele "Two Occasions"

A summer love is beautiful  
But it's not enough  
To satisfy emotions  
That are shared between us  
A winter love is cozy  
But I need so much more  
It just intensifies my wants  
To have a love that endures

'Cause every time I close my eyes  
I think of you  
And no matter what the season is  
I still love you  
With all my heart  
And I wanna be with you  
Wherever you are

I only think of you on two occasions  
That's day and night  
I'd go for broke if I could be with you  
Only you can make it right

An autumn love is special  
At this time of the year  
But when the leaves are gone  
Does that love disappear  
I never underestimate the new love of spring  
But I'm glad to say in my heart  
I know my love's lasting

'Cause every time I close my eyes  
I think of you  
And no matter what the season is  
I still love you  
With all my heart  
And I wanna be with you  
Wherever you are

And no matter what the season is
