A candle flickers in a window  
Two thousand miles away she waits there  
There's a young man thinking by a window  
How was she to know just how much he cared  
He always knew just what he could do  
He always knew that his dream would come true

Alexander Graham Bell  
Well, he knew darned well  
That he could find the only way  
To talk across the USA  
Telephone, telephone  
Never be on your own  
Many many years ago  
He started something with his first "Hello, hello"  
Alexander Graham Bell  
Alexander Graham Bell  
Alexander Graham, Alexander Graham  
Alexander Graham Bell

The sun rises early in the morning  
Millions of people still unaware  
Of something he discovered without warning  
So he could show a girl just how much he cared  
He always knew just what he could do  
He always knew that his dream would come true

Alexander Graham Bell  
Well, he knew darned well  
That he could find the only way  
To talk across the USA  
Telephone, telephone  
Never be on your own  
Many many years ago  
He started something with his first "Hello, hello"  
Alexander Graham Bell, Alexander Graham Bell

Alexander Graham Bell  
Well, he knew darned well  
That he could find the only way  
To talk across the USA  
Telephone, telephone

Never be on your own  
Many many years ago  
He started something with his first "Hello, hello"..  
(repeat twice till fade)
