Went down to Santa Fe where Renoir paints the walls
Described you clearly but the sky began to fall
Am I ever gonna see your face again
Am I ever gonna see your face again
Tram cars and taxis like the waxworks on the move
Carry young girls past me but none of them are you
Am I ever gonna see your face again
Am I ever gonna see your face again
Without you near me
I've got no place to go
Wait at the bar
Maybe you might show
Am I ever gonna see your face again
Am I ever gonna see your face again
I've got to stop these tears that's falling from my eyes
Go walk out in the rain so no one sees me cry
Am I ever gonna see your face again
Am I ever gonna see your face again
Can't stop the memories that keep pounding through
my brain
I get no answer so the question still remains
Am I ever gonna see your face again
Am I ever gonna see your face again
Am I ever gonna see your face again
Am I ever gonna see your face again
(no way get f**** f*** off)
Am I ever gonna see your face again
Am I ever gonna see your face again
