Hilton hotel, the room was small
Square box, two beds and four walls
I need a girl who is kind
Relief of my mind, and body
I remembered the magazine add
Pretty girls who will visit your pad
A knock at my door
Don't know what's in store, for me
She said
Call me, call anytime (Call me)
Call me, when you wanna unwind (Call me)
Call me, daytime or night (Call me)
Call me and I'll turn on your light
Oh-oh-oh-oh-oh-oh-oh-oh
Call me freephone

She walked in I had to be strong
I felt she had always belonged
Ooh I must keep calm
The sweat in my palm won't go away
She said now please relax my friend
I'll stay here 'till the very end
She took off her shoes
Don't know what to do
Then i heard her say

Call me, call anytime (Call me)
Call me, when you want to unwind (Call me)
Call me, daytime or night (Call me)
Call me and I'll turn on your light
Oh-oh-oh-oh-oh-oh-oh-oh

I lay on my belly
She rubbed in petrolium jelly
Her hand felt so good
Lie on my back, nearly blowing my stack
Oh I wish she would, surrender the sweets
What she does with her feet
She satisfies, and her pocket don't lie
Then she waved her goodbye

Call me, call anytime (Call me)

Call me, when you want to unwind (Call me)
Call me, daytime or night (Call me)
Call me and I'll turn on your light
(Repeat verse 3 times till fade)
