I met a girl
Who likes to dance
But there's only one way
To get inside her pants
That's if I dance
Baby there's no chance
Zombies brainwashed by the rhythm
Trapped inside their own escapism
In prison I don't wanna be there
No I don't wanna be there
Can't stand that disco music
Pain in my head
Can't stand that disco music
Pain in my head
Everyone said
Disco is dead
With it's boom,boom,boom,boom, ahh
Give me a drink
While you're rollerskating
I'll be here if you're waiting
To be fed
In your bed
I ain't gonna dance
Disco ain't worth your masterbating
Rock and roll will still keep accelerating
I'll always be there
Yeah I'll always be there
Can't stand that disco music
Pain in my head
Can't stand that disco music
