I don't wanna know you're name  
'Cause you don't look the same  
The way you did before  
Okay, you think you got a pretty face  
But the rest of you is outta place  
You looked alright before

(Chorus): Fox On The Run, you're scream and  
everybody comes runnin'  
Take a run and hide yourself away  
(Foxy on the Run)  
F - Foxy  
Fox On The Run  
And hide away

You, you talk about just every band  
But the names you drop are second hand (second  
hand)  
I've heard it all before  
I don't wanna know you're name  
'Cause you don't look the same  
The way you did before

(Chorus)  
Fox On The Run (repeat until fade)
