Tell me, is it really true?  
This feeling that I feel for you.  
Your own kind of lovin'  
That makes me think nothin'  
Could ever take the place of you.

And it's so funny, funny  
What you do honey, honey  
What you do, what you mean to me  
And you know honey, honey  
Though it's so funny, funny  
That you mean all the world to me

Aaah, ah, ah, ah, ah, aaah

Ever since you came my way  
I knew it was my lucky day  
The sun started shinin'  
When you started smilin'  
I know it's gonna stay that way

And it's so funny, funny  
What you do honey, honey  
What you do, what you mean to me  
And you know honey, honey  
Though it's so funny, funny  
That you mean all the world to me

Can't imagine lovin' anyone but you  
(Honey, honey, so funny, funny)  
Every minute, lovin' everything you do  
(Honey, honey, so funny, funny)  
Couldn't see my way without you  
Now I gotta tell the world about you

Tell me, is it really true?  
This feeling that I feel for you.  
Your own kind of lovin'  
That makes me think nothin'  
Could ever take the place of you.

And it's so funny, funny

What you do honey, honey  
What you do, what you mean to me  
And you know honey, honey  
Though it's so funny, funny  
That you mean all the world to me  
(repeat)
