I've been much too long in this old casino
Run out of money and luck
I gotta find a way to that lucky number
Say buddy can you give me a buck
A fortune lost when the dice was tossed
Spin of the wheel was my friend
I thought i knew when the bridge was crossed
Forget about tomorrow, live for today

Chorus

I'm a hot shot gambling man
Playing my game the only way i can
I'm a hot shot gambling man
Comming on home to you
Yeah i'm a hot shot lover
Comming on home to you, yeah, yeah

I hope you understand the way i change my plan
How i've falling for a lady like you
I got three off a kind and i won the prize
And they all turned out to be you
You brought me round when the chips was down
You made the ace of hearts my friend
Now i know i'll never be on my own
I live for tomorrow, cause yesterdays gone

Chorus

A fortune lost when the dice where tossed
A spin of the wheel was my friend
I thought i knew when the bridge was crossed
Forget about tomorrow gotta live for today

Chorus

Yeah I'm a hot shot gambling man
Playing my game the only way i can
Yeah I'm a hot shot gambling man
Comming on home to you
Yeah i'm a hot shot lover
Comming on home to you yeah
Hot shot gamb'ling man

Yeah I'm a hot shot gambling man
