I'm on my way
I'm going home today
Because the girl I love is waiting there for me
For I'm sure she really loves me so
She'll be mine I know one day
So now I'm going straight back home
To Sovanna way

I'm on my way
I'm going home to stay
Because I just can't wait to see my girl again
I'm gonna ring, that's just right for her
She only has to name the day
I'm heading for our wedding
Down in Sovanna way

I'm on my way
I'm going home today
Because the girl I love is waiting there for me
For I'm sure she really loves me so
She'll be mine I know one day
So now I'm going straight back home
To Sovanna way

I'm on my way
I'm going home to stay
Because I just can't wait to see my girl again
I'm gonna ring, that's just right for her
She only has to name the day
I'm heading for our wedding
Down in Sovanna way

I'm on my way down in Sovanna way
I'm on my way down in Sovanna way
