I met a girl, she was double-breasted
After this story, I was arrested
I said 'give me more room, no more talkin'
Come let your stilettos do the walkin'
And I said.....

Jump the fence
Jump the fence

She came for a visit, and I said 'What is it?'
The girl had a problem she liked to discuss
Her burnin' feelin' that rose to her ceiling
I'm not a man to betray her trust
I said.....

Jump the fence
Jump the fence
Jump the fence
Jump the fence

It didn't take too long to get to the crux
She put out the fire, but not very much
I hit the button, to get her squirmin'
Then I put the worm in
And I said.....

Jump the fence
Jump the fence
Jump the fence
Jump the fence
