

Sweet "Let's Go"

Visit "[Let's Go](#)" on MotoLyrics.com

I've been in every town
I've stood on every stage
Still the crowd comes in to join the show
And when the light shines bright
On me for you
The time has come and everybody knows
If you're standing in the front
Or you're standing in the back
You can feel something happening
Are you ready? Are you Ready?
Are you ready? Let's go !

Let's go - if you really wanna do it now
Let's go - and get down to it now
Let's go - and get some satisfaction and
Let's go - 'cause you're the main attraction so
Go-go-go-go-go !

Time turns the age
The years go by
Still the songs you hear, oh why
There must be something in the melody
That keeps us here I think I know why

If you're standing in the front
Or you're standing at the back
You can feel something's happening
Are you ready? Are you ready?
Are you ready? Let's go !

Let's go - if you really wanna do it now
Let's go - and get down to it now
Let's go - and get some satisfaction and
Let's go - 'cause yo¹'re the main attraction so
Go - go- go - go- !

Gooooooooooooooooooooo!
Are you ready? Are you ready?
Are you ready? Let's go !

Let's go - if you really wanna do it now
Let's go - and get down to it now....
