That girl's a heart on my sleeve
That girl's too good to believe
That girl's a heart on my sleeve

I was dressed to kill,
My time to fill,
I move my body so close for the thrill,
She bought the line,
She'd be home on time,
But she don't know what goes on in my mind

But I know baby,
That she was just made for me
My mouth's going crazy,
Like a six-lane highway

That girl's a heart on my sleeve
That girl's too good to believe
That girl's a heart on my sleeve
That girl!

I was high and dry,
I was satisfied,
Making love was a matter of pride,
My one night stands got out of hand,
That took her love to make me understand

Whenever she's near me,
She finds the truth in my lies,
She put her faith in me,
Reflecting the love in her eyes!

That girl's a heart on my sleeve
That girl's too good to believe
That girl's a heart on my sleeve
That girl!

Falling in love wasn't easy,
But people need love to survive,
If I knew then, all the things I know now,
There'd be more than enough to go 'round.

Whenever she's near me,
She finds the truth in my lies,
She put her faith in me,
Reflecting the love in my eyes!

That girl's a heart on my sleeve
That girl's too good to believe
That girl's a heart on my sleeve
That girl!
That girl's a heart on my sleeve
That girl's too good to believe
That girl's a heart on my sleeve
That girl!
