Mighty fine woman  
Need her by my side  
So I can rock and roll it  
I can feel my pride

Gonna find a chicken  
Gonna make up to  
But I ain't no telling Sally  
That I'm feeling blue

Don't let go  
'Cause ya got me going  
You're moving fast  
And there ain't no slowin' you  
Need a lot of lovin'  
Gonna have a lot of lovin'  
Need a lot of lovin' tonight

Early in the morning  
To the middle of the night  
Rock to the rhythm  
Of the early morning light

With my baby boogalooin'  
And the feeling's getting strong  
Rock to the rhythm  
'Til the darkness come along

Don't let go  
'Cause ya got me going  
You're moving fast  
And there ain't no slowin' you  
I need a lot of lovin'  
Gonna have a lot of lovin'  
Need a lot of lovin' tonight

Mighty fine woman  
Need her by my side  
I can rock and roll it  
I can feel my pride

With my baby boogalooin'

And the feeling's getting strong  
Rock to the rhythm  
'Til the darkness come along

Don't let go  
'Cause ya got me going  
You're moving fast  
And there ain't no slowin' you  
I need a lot of lovin'  
Gonna have a lot of lovin'  
Need a lot of lovin' tonight

Need a lot of lovin'  
Gonna have a lot of lovin'  
Need a lot of lovin' tonight

Need a lot of lovin'  
Gonna have a lot of lovin'  
Need a lot of lovin' tonight
