Now if you feel that you can't go on
(Can't go on)
Because all your hope is gone
(All your hope is gone)
And your life's filled with much confusion
(Much confusion)
And your happiness is just an illusion
(Happiness is just an illusion)
And your world around is tumblin' down
Darling (reach out) come on girl, reaching out for me
(Reaching out), reach out for me

I'll be there
With a love that will shelter you
I'll be there
With a love that will see you through

When you feel lost, and about to give up
(LOST) (don't give up)
'Cause your best just ain't good enough
(Just ain't good enough)
And you feel the world has grown cold
(Has grown cold)
And you're driftin' out all on your own
(Driftin' out on your own)
When you need, a hand to hold
Darling (reach out) come on girl, reach out for me
(Reach out) reach out for me

I'll be there
Too love and comfort you
And i'll be there
To cherish and care for you

I can tell by the way you hang your head
(Hang your head)
You're with out love, now you're afraid
(You're afraid)
And through your tears you look around
(Look around)
But there's no peace of mind to be found
(Your just about too be found)

I know what you're thinking
You're alone now, no love of your own
But darling, (reach out) come on girl, reach out for me
Reach out (reach out)

Just look over ya shoulder (shoulder)

I'll be there, to give you all the love you need
I'll be there, you can always depend on me
I'll be there, too love and comfort you
I'll be there, to cherish and care for you
