Through the mirror of my mind

Time after time

I see reflections of you and me

Reflections of

The way life used to be

Reflections of

The love you took from me

Ooh, I'm all alone now

No love to shield me

Trapped in a world that's

A distorted reality

Happiness you took from me

And left me alone with only memories

Through the mirror of my mind

Through the tears that I'm cryin'

Reflects the hurt I can't control

'Cause although you've gone

I keep holding on

To the happy time

Uh, when you were mine

As I peer through the window of lost time

Looking over my yesterdays

And all the love I gave all in vain

(All the love)

All the love that I've wasted

(All the tears)

All the tears that I've tasted

(All in me)

All in me

Through the hollow of my tears

I see a dream that's lost

From the hurt that you have caused

Everywhere I turn

Seems like everything I see

Reflects the love that used to be

In you I put

All my faith and trust

Right before my eyes

My world has turned to dust

After all these nights

I sat alone and wept

Just a handful of promises

All of that's left of loving you

Reflections of

The way life used to be

Ooh, reflections of

The love you took from me
In you I put
All my faith and trust
Right before my eyes
My world has turned to dust
Ooh, reflections of
The way life used to be
Reflections of
The love you took from me
