The heroine's a hero uprating me to zero
I couldn't hold a candle to you
the hardest part is leaving
this web of love you're weaving
you've shattered my illusions
I've come to the conclusion
you're gonna do a number on me
I'll never get to heaven with out.

There's a stairway to the stars
yeah but it's a freeway into your arms
there's a stairway to the stars
yeah but it's a freeway
stairway to the stars.

Girls in your condition
they ain't in no position
to do the things you're doing to me
you opened like a flower
you filled my head with power
you boys get avaricious
feeling pretty vicious
so don't you paint your fingers for me
no no you'll never get to heaven with me.
There's a stairway to the stars
yeah but it's a freeway into your arms
there's a stairway to the stars
yeah but it's a freeway
stairway to the stars.

Take the stairways to my heaven
Take the stairways to my heaven
Take the stairways to my heaven
Take the stairways to my heaven

There's a stairway to the stars
yeah but it's a freeway into your arms
there's a stairway to the stars
yeah but it's a freeway
stairway to the stars.

Stairway to the stars
stairway to the stars...
