We want Sweet (Repeat 3 times)

All over the land the kids are finally startin' to get the upper hand.

They're out in the streets they turn on the heat and soon they could be completely in command.

Imagine the sensation

Of teenage occupation

At thirteen they'll be learning

And at fourteen they'll be burnin'

But there's something in the air of which we all will be aware.

Chorus

But they don't care

No, no, no, no, so

Come join the revolution

Get yourself the constitution

Come join the revolution now

And recognize your age it's a teenage rampage

Turn another page on the teenage rampage now.

So recognize your age it's a teenage rampage

Turn another page on the teenage rampage

Now now now now now now now now . . .

They're getting it on, ain't doing it wrong but they're gonna do it

It won't be long.

They gotta be heard they got the word they really belong

And now they're coming on strong.

Imagine the formation

Of teenage legislation

At thirteen they were fooling

But at sixteen they'll be rulin'

And there's something in the air

Of which we all will be aware

Chorus

An there's something in the air

Of which we all will be aware yeah yeah yeah yeah yeah

so

Come join the revolution  
Get yourself the constitution  
Come join the revolution now  
And recognize your age it's a teenage rampage  
Turn another page on the teenage rampage now.  
So recognize your age it's a teenage rampage  
Turn another page on the teenage rampage, now . . .  
Recognize your age it's a teenage rampage, now . . .  
And recognize your age it's a teenage rampage, now . . .
