We are spend about life Get around, oh where in time Seems my mind goes like when Good times are coming back again People say that I'm wrong A man can't travel back alone I got to travel like life What I've done wrong I must make right

Beat my mind See my sign Help me find - time

Some things are thing's that I've done For no one a reason I will be hung I've got to go on the same Somewhere or something I clear my name

Beat my mind See my sign Help me find - time

Beat my mind See my sign Help me find - time

Beat my mind See my sign Help me find - time Time, - time, - time, - time Time, - time, - time, - time
