I was feeling so sincere  
I just needed to tell you  
I would gladly sacrifice  
My dreams, my dreams to follow you, you, you

You are my sunshine  
And I am your moon  
Together we'll find time  
And play with our moods

You are my sunshine (Forever your sunshine)  
And I am your moon (Forever your moon)  
Together we'll find time (Forever your sunshine)  
And play with our moods, play with our moods

I was feeling so sincere  
I would gladly sacrifice  
I'll fulfill all your dreams  
Just for you, for you to be mine

I need somebody who can give me something  
That no other one can do  
You, you, you

You are my sunshine (Forever your sunshine)  
And I am your moon (Forever your moon)  
Together we'll find time (Forever your sunshine)  
And play with our moods, play with our moods

You are my sunshine (Forever your sunshine)  
And I am your moon (Forever your moon)  
Together we'll find time (Forever your sunshine)  
And play with our moods, play with our moods
