You've got the funniest way of showin' me  
That you love me  
You seem to never have time  
To go out of your way  
I finally catch you alone  
You've got your mind on your money  
I call you up on the telephone  
But you only have time to say  
Don't bother me now  
I'm in a hurry  
I gotta go, I got a show  
Don't bother me now  
I'll see you Monday  
But I don't know  
I think I'm losin' my voice  
Still you don't hear me  
I'm sayin' everything twice  
Or nothin' at all  
I think it's time that we talk  
Before it turns into trouble  
We gotta work this thing out  
But you only have time to say  
Don't bother me now  
I'm in a hurry  
I gotta go, I got a show  
Don't bother me now  
I'll see you Monday  
But I don't know  
You want a love that will last forever  
Then take the time to say  
Instead of living  
You're giving you life away  
Don't bother me now  
I'm in a hurry  
I gotta go, I got a show  
Don't bother me now  
I'll see you Monday  
But I don't know
