Don't tell me you love me
If you won't show me your love
Don't sing me your love songs
If I'm not who you're thinkin' of

I won't leave myself open to something untrue
Not even from you
I won't leave myself open to something untrue
Although I love you
Sorry, my love is not a plaything
Sorry, sorry

Don't tell me you love me
If you won't give me your heart
Don't give me your promise
If you're still willing to part

I won't leave myself open to something untrue
Not even from you
I won't leave myself open to something untrue
Although I love you
Sorry, my love is not a plaything
Sorry, sorry

Don't tell me you love me
If you plan to ever change your mind
Don't sing me your love songs
If your lyric and your life don't rhyme

Don't tell me you love me
If you plan to ever change your mind
Don't sing me your love songs
If your lyric and your life don't rhyme

Don't give me your promise
If your heart makes you feel what your mind don't
focus
Don't say that you'll be there
If I can't call you up at a moment's notice

Don't tell me you love me

If you plan to ever change your mind
Don't sing me your love songs
If your lyric and your life don't rhyme
