I feel a song comin' on  
Startin' out easy and comin' on strong  
It sounds so lovely  
Comes from above me  
Down from the music Maker

Music is just what I need  
Helps me to show you  
Just how good I feel  
Expressin' a feelin'  
I get when I'm singin'  
A song from the music Maker

You make me feel like singin'  
You make me feel like singin'  
Sending my heart to the top of the world  
You are the love of my life

Like a symphony  
Your love moves on me  
To bring on the tears of joy  
Keep my life on key  
And fill my need to be  
In love with you more and more

You make me feel like singin'  
You make me feel like singin'  
Sending my heart to the top of the world  
You are the love of my life
